Overall Customer Sentiment Summary

Mixed

Top 3 Reasons We Are Doing Great

- 1. Outstanding Customer Service:** Many customers with NPS scores of 1 and 2 praised the staff for going above and beyond to assist in finding the right gear and providing knowledgeable recommendations, particularly for items like hunting boots and fishing rods.
- 2. Hassle-Free Return Process:** Customers often highlighted the ease and simplicity of the return process as a key positive aspect, contributing to high satisfaction and trust in the business.
- 3. Competitive Pricing:** Best prices for high-quality products, especially fishing rods and camping gear, were frequently cited as a reason for positive sentiment, making the business a preferred choice for value-conscious customers.

Top 3 Items Needing Improvement

- 1. Poor Product Availability:** A significant number of customers with NPS scores of 4 and 5 reported frustration with items being out of stock, particularly tents and fishing gear, often resulting in wasted trips or settling for less preferred options.
- 2. Inconvenient Store Hours:** Many customers expressed dissatisfaction with store hours, noting that the business was often closed when they needed to shop, or had restrictive operating times such as closing too early on weekends or mid-day closures.
- 3. Slow or Unhelpful Customer Service:** Negative feedback often mentioned slow response times, unhelpful staff, and instances where employees ignored customers or lacked knowledge, particularly regarding warranty issues and product details.
